Teams with outstanding league fees past their second game will not be allowed to participate until their entire balance is paid in full. Teams with outstanding Forfeit Fees will not be allowed to participate in their playoff games until they have paid their fees in full. Registration and Payment Policy: The Epic Sports Center has been granted affiliation with the New York State West Youth Soccer Association. Youth players playing in an adult league here at Epic are not insured by the United States Youth Soccer Association. Submission of this registration form does not imply final acceptance by the Epic Sports Center. A \$200 deposit must accompany the team registration form. A \$50 administrative fee will be charged for any bounced checks. The coach/captain/contact person and all players understand that this is a legal contract and that the coach/captain/contact person is responsible for all league and ref fees. *By submitting this registration and deposit, this individual represents that he/she has read and understood the information on this form, as well as his/her personal responsibilities as coach/captain/contact person. It also indicates that he/she agrees to make his/her teammates aware of all Epic Sports Center policies described herein. If the team drops out of the session, the coach/captain/contact person is responsible for all fees, plus an administrative fee of \$100.* Teams are accepted on a first-come, first-paid basis subject to availability. All players registered in the Men's League, Coed League, or Over-30 League are required to register for a current **Player Pass**; all players in these leagues must be at least 18 years old or at least 30 years old, respectively. **The Player Pass is a ONE-TIME \$20 registration fee. Already have one? You're a LIFETIME MEMBER and don't need another.** Photo identification such as a Driver's License or school I.D. is mandatory. *Ref fees are collected pre-game by our Timekeeper on duty for your game, all players must sign in pre-game.*

Requests and Priorities: Please understand that not all of your scheduling requests may be met. Priority is given to teams that pay in full by the registration deadline, as well as teams that have participated in previous sessions. Teams playing in previous sessions are not guaranteed a spot in future sessions unless the registration form and deposit are received. **Scheduling:** Games will not be rescheduled due to school/holidays/vacations/tournaments not hosted by Epic Center. Rescheduled games must be approved by the Epic Center GM and the Official Rescheduling Form must be completed within the first two weeks of the session; a \$20 administrative fee will be charged for any request made after the second game of the session has been played. Both teams must sign off on the Official Rescheduling Form available at the front counter. The Epic Sports Center will do its best in placing players/teams in a competitive league. If it becomes impossible to satisfy your division request, alternative options will be presented to you. If these options are unacceptable, your fee will be refunded. Otherwise, fees are non-refundable. **Ball Returns:** Epic Center is not responsible for any balls that get stuck in our ceiling or other parts of the building. Management will respond to requests to get balls down as their availability permits. Epic Center is not responsible for reimbursing customers monetarily for balls that cannot be retrieved from the building.

Format and Facility Policies: Each coach/captain/contact person will sign the "Captain's Letter" before their first game which further explains their responsibilities. No drugs or alcohol are allowed on Epic Center property. In general, the official rulebook of F.I.F.A. will be followed. There are no slide tackles or punts allowed. Each game includes two running-clock 25 minute halves. There will be approximately 5 minutes in-between games for warm-ups, and 2 minutes in-between halves. There is no overtime during the regular season games. Playoff games that result in a tie will go straight to a shoot out (1st v. 4th; 2nd v. 3rd games only.) No ball playing is allowed outside the field. No spectators are allowed in the players' bench area or locker rooms. Everyone in the bench area must be (1) on the official team roster given out by Epic Sports Center and (2) be registered with a Player Pass, (adult leagues only) including anyone acting as coach/captain/contact person for the team. All youth players must be registered on a certified roster issued by U.S.Y.S.A. (referred to as the RosterPro) in addition to being on the Epic Sports Center Roster. Please contact your local soccer club or Travel Coordinator for details on how to obtain the RosterPro. The Roster(s), due before and frozen after the third game, is limited to eighteen members, including goalies, all meeting the League's age requirement; (Proof of age is required when purchasing your Player Pass, Adult Leagues only). Players may be registered on ONE team per league. A practice space is provided for pre-game warm-up; no spectators may play in this warm-up area. Please remember that the Coed League is a non-physical league. Teams must have 3 women on the field at all times for coed games, or must play one male down for each missing female. All teams must field at least 5 out of 7 required players or the game is a forfeit and will not be played. Individual trophies, medals, or T-shirts will be given out to Session Champions.

Property Damage: Epic Sports Center will not tolerate damage to any part of its facility by its customers. Damage, including but not limited to the locker rooms or field, will be billed to the Team Captain. The team will be disallowed from participation until the bill is paid and the situation is resolved. When necessary, damage will be billed by an outside vendor. **Equipment:** There are no outdoor cleats allowed on the fields; sneakers ONLY! Teams must wear matching colored jerseys, numbered differently on the back. All players must wear protective equipment, including, but not limited to shin guards. **Suspensions and Fine Policy:** Epic Sports Center reserves the right to ban any player or spectator from the property and participation in any event for any misconduct as deemed by Epic Center Management. *Fighting, violent play, and poor sportsmanship are strictly forbidden.* Any player receiving a straight Red Card OR two yellow cards in a game will receive an additional two game suspension and a \$50 fine. Depending on the severity of an infraction, the referee and/or Company President may impose a fine and suspension that is more or less severe, up to and including being banned from Epic Sports and Fun Center property. If a suspended player plays in a game, the game becomes a forfeit. An additional fine/suspension may be imposed on that individual AS WELL AS on the team coach/captain/contact person. The offending player must sit out the required amount of games and pay his/her fine before being allowed to participate in the league. Suspensions carry over to multiple leagues, so, for example, a player getting a red card in his men's league game would have to sit out of his coed league's game if registered for that second league, and if his next game to be played at Epic would be with that second league.

I have been informed that all my players must sign the Player Roster/Waiver Release Form and if the player is under eighteen years old, a parent or legal guardian must also sign. All players must have matching jerseys with numbers and a player pass or be listed on a certified roster. **No pass, and no listing on a certified roster, NO PLAY.** I understand that payment in full is required by the first game (unless prior arrangements have been made with the Epic Sports Center) and I am responsible for the payment of all team fees, referee fees, administrative fees, and any other amounts payable to the Epic Sports Center. I understand any player receiving a red card will be fined \$50.00 by the Epic Sports Center and this fine must be paid in full before he/she is allowed to play again. The player will still receive any game suspension that is warranted. I also understand that it is my responsibility to inform all my players of all Epic Sports Center rules.
